THE ADVENTURE PACK

YOU'LL SEE MORE OF AUSTRALIA WITH AN ADVENTURE PACK!

With increased strength and road clearance, your Avan with Adventure Pack option will take you far and wide, meaning more sights, more adventure. Travel with confidence as you get out and see more of the true beauty that this country offers, all while enjoying all the typical luxuries of an Avan. The Adventure Pack adds toughness to your caravan.

But remember, certain conditions will not be suitable for caravan towing. If unsure, leave the van back at base and take the 4WD alone. The Avan Adventure pack is available across the whole range of campers, poptop and hardtop. Adventure Pack adds approx 100kg to Tare mass.

STANDARD FEATURES

- Higher ground clearance
- Bigger chassis 150 x 50mm
- 15" wheels & tyres
- Modified suspension
- Extra step
- Bigger jockey wheel
- Drop-down stabilizers
- Checker plate

THE STYLE PACK

THE AVAN STYLE PACK OFFERS THE PERFECT COMBINATION OF STYLE AND LUXURY TO THIS ALREADY STYLISH RANGE.

The style pack includes two toned feature overhead doors with soft close hinges and stylish chrome handles, LED feature strip lighting, modern glass shower door and vanity basin. The style pack is sure to make your van one of the most stylish van on the market. This optional upgrade adds value and class to any Avan caravan in the range.

OTHER FEATURES

HAND CRAFTED INTERIORS

Avan incorporates it's own specialised construction of the interior furniture in all its vans. Edge-banded timber construction produces a sophisticated and appealing living environment while providing the durability for holidaying use. Fine craftsmanship and technology ensures a superior finish is standard. While a versatile day/night configuration allows you to enjoy greater comfort in your own home on wheels.

STRENGTHENED AERODYNAMIC EXTERIOR PANELS

Avan has over 20 years of manufacturing experience in bonded panel construction. Our unique insulated sandwich panel side walls, with ply re-enforced aluminium outer skin, are built to withstand the rigours of travel and camping life. Our trademark sleek lines and smooth finish have been at the forefront of industry innovation and forced the competition to follow. The construction process incorporates styrene foam insulation, 2 x layers of ply and smooth pre-painted aluminium outer panels for ultimate styling. The smooth pre-painted aluminium outer panels offer unique advantages over fibreglass including: superior strength, lower weight per square metre, surface style, UV-resistance, low dirt-retention.

SUPERIOR CENTURION CHASSIS

Unique to Avan, the Centurion Chassis offers superior support for your Camper. Hot dipped galvanized steel ensures that your Avan will remain protected from corrosive elements that can fatigue other types of chassis. Intelligent engineering design maximizes strength and resistance to torsion and compression via pressed hole cross-members. The unique design also allows better protection to electrical wiring running underneath your van. For your long-term peace of mind, choose the Avan Centurion Chassis.

AUGMENTED POWER SUPPLY

Every Avan caravan features the most advanced electrical system giving maximum utility, wherever your adventures take you. Our top of the range AC Delco 95 Amp/hour battery pack and 18 Amp charger & power supply, including battery level indicator and water level indicator, give you peace of mind and confidence.
