The Avan Camper Range

www.avan.com.au

The Avan camper ranger whether you are travelling around the state or around the country, your avan camper ensures an enjoyable experience and luxurious living accommodation.

Whether it be a weekend getaway or an extended adventure, the Avan camper range has a model to suit every recreational need. The unique smart design allows simple set-up and pack down giving you more time to enjoy your new surroundings. The entire Avan camper range is compact, light weight, easy to tow and great on fuel economy.

Australian Made & Owned

The original Avan camper has long been Australia's most popular 'no canvas' camper.

Thanks to unique engineering design, the Avan camper has 100% solid wall construction and can be assembled in under 30 seconds! The super-strength smooth panel construction, insulated interior and tinted windows provide greater comfort and security than any other folding camper. Giving you peace of mind. Built on Avan's durable Centurion Chassis, all Avan's camper models are versatile enough to take you around the country or just out of town. Clever interior designs can accommodate a family in comfort, while our standard features include 90 Litre fridge, cook-top, deep bowl sink, high-tech construction furniture and ample storage for your holiday essentials.
