GOLF

www.golfcaravans.com.au

Golf has a strong tradition of building high quality, versatile Campers for the rugged Australian conditions. The new Golf Challenger range also includes the sophistication of the most advanced production techniques in RV construction.

Every Challenger comes with insulated one-piece fiberglass roof construction - that means no joins and no leaks. Other features include an internal aluminum frame for extra strength & support, a fully enclosed stainless steel lifter system that will never rust or jam, a full fiberglass wrap with high-gloss Gell-coat finish on the walls and one piece flooring, no joins). The walls are constructed with fiberglass inner and outer skins, filled with structural foam, giving greater strength and superior insulation properties.

The Challenger is loaded with features that make a camper unique in value, including an elegantly designed entry door in bonded aluminum construction with sliding perspex window, full-length hinging system for easy assembly and operation, superior sealing and top-bottom latch mechanism, Inside, outstanding workmanship is combined with quality fittings and appliances to provide living and sleeping comfort for up to six adults.

Bush Challenger Upgrades

All four layouts of the 'Challenger' can be upgraded to the 'Bush Challenger' which is ideal for off highway touring. The Bush Challenger package is perfect for the adventurer who wishes to explore the more remote scenic locations this country has to offer

- Box style awning
- Battery and water tank monitor
- Electric roof lift system
- Roof racks
- 15" alloy wheels with under slung axel
- Protective checker plate on side walls
- Double entry step
- Longer corner stays
- 10" Off road electric brakes

The Challenger Advantage Challenger & Bush Challenger Canvas

All canvas material used on Golf products complies with AS 3576-1988: AS 2001.2.3.1-01, Appendix B, AS 2001.2.10-1986, AS 2001.2.17-87, AS 2001.3.1-1998, AS 2001.3.6.1-1998, AS 2001.3.6.2-1998 and AS 2001.4.1995. All PVC material (attached to canvas) complies with AS.

Golf Challenger 4 Shower Options

The Challenger 4 series boasts a uniquely designed folding shower manufacturing from long lasting acrylic capped ASB and an in-built Thetford toilet. Proving once again why the Golf Challenger series is fast becoming the leader in its field.

Golf Chassis

A hot dipped galvanised chassis with pressed hole cross members will ensure that your Challenger remains protected from corrosive elements for many years and gives protection to under floor wiring and plumbing.

Golf Wall Construction

Golf Challenger walls are constructed with fiberglass and outer skins, filled with structural foam, giving greater strength and superior insulation properties.

Golf Challenger Features

With ample storage on the inside and a large exterior front boot you get room to carry everthing your family will ever need to 'stay in style' while camping. Clever design offers both comfort and functionality for those memorable family holidays or that quick weekend away.

NOTE: Extra care must be taken on unsealed roads as damage caused by potholes or corrugations is not covered under warranty.
